

## MARCH NEWSLETTER

**PICTURE DAY:** Will be held at the studio on **Sunday May 23rd**. Times for each class will handed out to you on a reminder postcard, sometime in April. The times cannot be changed or altered, if you cannot be there you may get in touch with Mirasolo Photography in Wakefield. All alterations to costumes must be done by this date.

Classes have been split as to which show your child will be performing in. Please check on the board in the waiting room.

**The Recital Ticket order forms will be available on Monday April 5<sup>th</sup> - Friday April 17<sup>th</sup> .**

You will at this time fill out how many tickets you need for which show or if needed both shows, include your payment ( cash or check) and hand it to Kim or Sarah, who will place it in your envelope. I have been informed by the school that baby carriages and or strollers are not allowed in the aisles or blocking any of the entrances or exits. Small infants will need to be held in your lap. If your child is performing only one dance you will be allowed to purchase a ticket for ½ price if you want them to sit in the audience. No dancer is allowed to sit in the audience who is performing more than one dance.

You will be able to pick up your recital envelopes on May 24<sup>th</sup>. Please note that all out standing tuition needs to be paid in full before your tickets will be given to you, this includes June tuition.

**PARENT WATCH WEEK:** Parents may observe classes the week of April 12<sup>th</sup>-17<sup>th</sup>.

Please keep younger siblings in your lap, and pictures/ videos are not allowed during class. We have to limit it to only one parent and a sibling if they need to be with you, class sizes are large and the noise level gets too loud and it is distracting to our dancers. Thank you!!!

**Look for your Recital Handbook** in the studio, or by email the week of March 22nd!!!! All you need to know about the recital and more 😊

**Tight order forms need to be filled out, payment is Cash only and On Your Toes** will deliver them to the studio in April. Kim and Sarah will help you with the sizing and prices. These must be done by March 15<sup>th</sup>.
